EXPERIENCE

PROGRAMMING

Rochester Institute of Technology Programming competition 2019
Dubai Silicon Oasis

Dubai
Obtained 3rd Place

This was my first programming competition. Even though it may sound decent it made me realise how much I have to learn, and how much more I need to practice.

Heriot Watt Programming Competition 2020

Academic City
Dubai

Participation

Joined to see where i was skill wise in python. Wasn't using much python before this and helped realise how much i'm missing.

GCE A Level Computer Science 2018 - 2020

Pristine Private School. Al Nahda
Dubai

Student

Throughout studying for A Level Computer Science I picked up Python and learned and tinkered with different types of sorting algorithms, object oriented programming, classes and inheritance and even recursion. The course basically set up the foundation of my computer science and programming knowledge.

Home 2018 - 2020

My home
Dubai

Wrote numerous programs in python, C and Visual Studio. For my computer science course in school as well as some practice projects at home.

EXPERIENCE

NON PROGRAMMING

Pristine Private School 2019 - 2020

Al Nahda
Dubai

Events and Media Club President

In charge of events that took place in school for a year which involved handling large data. Also required the creation of various types of media that includes videography, photography and typography for posters and the school's social media which I was in charge of.
